

4th GRADE

May 6, 2016

We had a great week in 4th grade, and your child should come home With a surprise or two for mom! I hope you all have a wonderful Mother's Day and know how much you are appreciated!

STE of the Week:

I care for myself and the world around me

Oregon Trail Overnight: The Oregon Trail Overnight trip is next week, and I know the students are getting very excited! We will travel by bus out to Kuratli Camp, in Boring, Oregon. We will meet at a specific location (last year it was a local, public elementary school) Thursday morning, and you will return to pick up your child from this same location Friday early afternoon. The students will not be at Cathedral School on these days. I am waiting for specific pick up location/time and will pass along the information as soon as I have it. The packing list was sent home last week, and I also have attached it to the email. I will send out another email later next week with packing reminders!

State Capital Field Trip: We still need 4 more drivers, so please sign up if you're available. Please follow this link to sign up: <http://vols.pt/8f3JZd>. Thank you in advance!!

Oregon Trail Project: The project and supplies will be due in class on **Monday!** Let me know if you have any questions!

Speech Festival: Sign-up forms are due by May 11th!

Upcoming Events:

- Oregon wagon supplies due – Monday, May 9th
 - State Capital field trip – Tuesday, May 10th
- Speech festival sign up sheet due – Wednesday, May 11th
- Oregon Trail Overnight – Thursday, May 12th and Friday, May 13th
