

## **Kindergarten News**

### **Classroom News**

Thank you for coming to the Mother's Day celebration! I hope you had a wonderful time!

We are headed on two fieldtrips before the end of the school year. We will ride the Max to the Apple Store on June 1st from 9:45- noon. On June 6<sup>th</sup>, we will go to the zoo with our buddies. Permission slips are coming home today and if you are interested in joining us, please sign up on Volgistics. Thank you for your help.

### **Curriculum Focus for Next Week**

#### **Religion**

We are learning about the Holy Spirit being a helper. We will talk about how the Holy Spirit can help us make good choices and live as friends of Jesus.

#### **Language Arts**

We are working on summarizing fairy tales and folk tales. We will notice the elements in fairy tales and learn that fairy tales are stories that have been retold again and again.

The students have been working on writing and editing their work personal narratives. We are then publishing the work on Seesaw. Make sure to check it out!

#### **Math**

We are learning about telling time to the hour and the half hour. The students will practice reading and writing time on analog mini-clocks. We will also look at digital clocks and identify those square-ish looking numbers!

#### **Science**

We are working on Makerspace projects to build and construct imaginary houses that could be in a fairytale.

### **School News**

Second and sixth grades will host May's spotlight on service. The Mac Attack service project provides boxed macaroni and cheese to the Portland Sunshine Division. This two-week service project will begin on May 15th and end on May 26th. This was started at St. John Fisher several years ago and has become a competition between St. John Fisher,

ourselves and a few other west side schools. Please help us with this battle against hunger by bringing in boxes of Mac and Cheese to your child's classroom starting May 15th.
