

4th GRADE

May 27, 2016

The students completed their final STAR math and reading tests this week and they all did a wonderful job! I'm so proud of how much they've grown this year and all they have accomplished!

StE of the Week:

I use my talents and gifts to help all God's creations

Next week we will go to the Portland Art Museum with the 5th grade class. It would be great to get one more parent to join us, so please let me know if you're available! This will be on Wednesday, June 1st 10:30am - 12:30pm.

Next Wednesday our Pre-K buddies are in charge of putting together the school Mass! This means that we will also be participating in the Mass to help. Our class will be the readers, altar servers, and help our buddies carry banners and the gifts. If you would like to join us for this Mass, we'd love to have you!

Our wonderful room parents Andrea McMahon and Kara Fioravanti are planning our end of year class party on **June 16th**. They are looking for several parents to help chaperone our almost 5th graders! ☺ If you are available to help plan or volunteer for the party, please email them.

Hatchet: We will finish reading *Hatchet* early next week. We will complete this novel unit study by watching the movie "A Cry in the Wild." This movie is based on Gary Paulsen's novel. Please let me know if you have any objections to your child watching this movie!

Speech Festival: The students did a great job with their classroom speech presentations! The winners for each category will also recite their speeches in front of the school during the school wide speech festival presentations. The school wide presentations will be on **Thursday, June 9th**.

Upcoming Events:

- No School – Monday, May 30th
- Social studies chapter 4 test – Tuesday, May 31st
 - Art museum field trip – Wednesday, June 1st
- Student of the month assembly – Friday, June 3rd
 - Speech Festival – Thursday, June 9th
