

## **Second Grade Classroom News:**

Second grade has had an awesome first week. I am so excited about spending the year with these amazing kiddos.

We spent the first week learning some expectations, practicing our read-to-self stamina, and learning routines. We introduced iPads for the first time yesterday. Thanks to last year's auction paddle raise 2<sup>nd</sup> grade has new iPads and cases for our use this year.

I am looking forward seeing you all at Curriculum night to share about second grade. Please let me know if you are unable to attend, so I can get you the information that I hand out.
