

## The Cathedral Library Birthday Book Program

Looking for a lasting way to celebrate your child's birthday and help fill empty shelves in our beautiful library? An \$18.00 check will allow your child to donate a special book to the library. Your child's name will be written on a gift plate inside the front cover. Books will be presented during class and celebrants will be the first to check them out.

If you would like to participate, complete the form below, attach a check made out to Cathedral School, and return it to the school office. ***Please allow four to six weeks*** for purchasing and processing when possible. Email Cindy Glenn, librarian, if you have any questions: [cglenn@cathedral-or.org](mailto:cglenn@cathedral-or.org)
