Hi 6th Graders,

Congratulations on completing 5th grade. I am really proud of you all and can't wait to begin our journey in 6th grade. This summer, I have some work for to complete to prepare for 6th grade. Your packet **is due on the first day of school in September.**

To ensure that you don't go down a few levels in your reading (its true, you need to train your brain by reading ☺), you should read at least **3 books** on our around your current reading level.

Summer Reading Assignment DUE First Day of School in September

- **Read 3 books on your level.**
- **Write 2 letters to Mr. Exley, your reading teacher about EACH book (one letter per book).**

Your letter should include the five parts of a friendly letter:

- Heading (Date)
- Greeting (Dear ...)
- Body
 - 1 paragraph retelling (who, what, when, where, why, how)
 - 2 paragraph response (use reading strategies-what do you THINK)
- Closing
- Signature (yours and your parents)

Please write your letters on loose-leaf or type your letter and make sure that your name and the title of the book is listed on each letter.
