Classroom News

“Call to Celebrate the Eucharist” Books went home yesterday. Please review chapter 2 and do the family page 21. Please help your child remember to have this book back to school on Monday.

We are looking forward to getting Flat Stanley back in the mail next week along with some pictures of his travels. We have a map up in the classroom so we can see all the different places Flat Stanley traveled. He is due on Friday, but if you get him in the mail before that, you are welcome to turn him in early.

The lost & found is once again getting very full. At Spring Break we will be donating anything still in lost & found to charity. Please take some time in the next few weeks to see if anything belongs to your family. There are a lot of plaid items, uniform sweatshirts, fleeces, and other uniform items mixed in athletic wear, lunch boxes and water bottles. Items with a name are always returned to the owner, unfortunately many, many items turn up in lost & found without a name. You can help us by labeling your student’s belongings, including coats and uniform items.
