

# Run 4 Cathedral

*Providing Curriculum Enhancement to Our School*

**Run 4 Cathedral** is the school's second largest fundraiser, supporting its Curriculum Enhancement programs, including: fully funding the art program contracted through the Oregon College of Art and Craft, providing a portion of 6th grade Outdoor School and the 4th grade Oregon Trail Overnight, and funding all field trips, in-class presentations, assemblies, student retreats, and much more, encompassing all areas of the curriculum.

All donations are tax deductible (Cathedral School Tax ID# 93-0978500). Please make checks payable to Cathedral School. Without your support these important programs would not be possible. Thank you!
