

Trachtenbarg Times

May 9-13

SLE of the Week

Be a Good Citizen

I care for myself and the world around me

notes from mrs. trachtenbarg

Thank you all for the wonderful teacher appreciation week. I feel very lucky to be a part of such an amazing community. I am very blessed to spend my days watching your children grow as learners and friends. Thank you for your sweet notes and kind gestures. I appreciate you!

MOTHER'S DAY TEA

Thank you for coming to our tea this morning. I enjoyed visiting with you and I hope you enjoyed listening to all the ways that your child appreciates you. I wish you all a Happy Mother's Day.

BRIDGES AND ENGINEERING

We have begun our final science unit focusing on bridges and engineering the first week of May. Our final culminating project will be to build a bridge out of popsicle sticks modeled after a bridge in Portland. We will be building them the week of June 6th. Please let me know if are interested in volunteering to help.

MAC ATTACK

Starting the week of May 16th, the students will be asked to bring in Macaroni and Cheese to support the Portland Police Sunshine Division to provide emergency food relief to families in need. Cathedral will be competing against other westside Catholic Schools in the Archdiocese. In addition there will be a school competition for some fabulous prizes. The 3rd grade has a tradition of winning and we hope to keep that tradition alive! Please help by bringing in Macaroni & Cheese from 5/16-5/27.

PROVIDENCE PARTY

There has been a schedule change for the final Providence Party. The new date will be Friday May 20th from 10:00-11:30. We will be joined by all the other schools in the Archdiocese who participate in the Friend to Friend program for a final celebration. I know many of you signed up for the previous date of May 24th. If you are interested in driving please let me know. We will need to leave Cathedral by 9:40 and will return around 11:40.

Have a wonderful Mother's Day Weekend.

upcoming Events

5/16 - Mac Attack!
