

Classroom News:

This week in 3rd grade we have begun to dive into our learning. The students are learning the routines and exceeding my expectations. They have already met their token goal of 30 tokens for September!

Seesaw -

If you haven't had a chance to view your child's work on Seesaw, I encourage you to sign in and see what we have been learning in 3rd grade.

Sir Fluffington -

Our beloved class pet is available for you to take home for the weekend. He loves to vacation at Cathedral families homes. As a warning to all, he does have a habit of escaping when you are not vigilant about locking all parts of his cage.

Mystery Reader -

In 3rd grade we love to invite parents, grandparents and friends to our classroom to be our Mystery Reader on Wednesdays from 2:50-3:00. Please sign up on Volgistics and I will forward you a confirmation email about a week before with further details.

Super Student -

Your child has chosen a week this year to be our Super Student. I will send out a reminder email about a week before with more information about what they will need to do. I have put a list outside the classroom as well.

Conferences -

If you haven't yet signed up for a conference on October 27th or 28th please sign up outside the classroom or send me an email with your time preference. I have attached the times to this email.

Curriculum Focus for Next Week:

Religion -

- Responsibility to care for all of creation God created human beings in his image

- Creation as a gift from God & the work of the Holy Spirit
- Responsibility to care for all of creation
- How to study for a test

Reading -

- Reading to find the main ideas & details
- Taking notes as we read

Writing -

- Identifying elements of a complete sentence and paragraph
- Writing and drafting a personal narrative
- Adding descriptive words to strengthen writing
- Identifying key ideas to form paragraphs

Math -

- Comparing & Ordering numbers
- Creating tables to organize data
- How to study and prepare for a math test

Science/Social Studies -

- Drawing conclusions from data
- What is energy?
- How do things move?

School News:

Run 4 Cathedral –

Student's Run 4 Cathedral shirts were sent home today. Please make sure that all children are wearing their shirts on Friday September 27th for the run. They should come to school ready to run in athletic gear. Thank you to those of you who have already turned in your pledge forms. Please check your child's planner to see if you are one of the few who still have not turned their forms in. You have until next Tuesday to get them in. Thank you for your continued support of our annual fundraiser to support curriculum enhancement at Cathedral School.

Upcoming Events:

Tuesday, September 27 - Run 4 Cathedral forms due

Friday, September 30 - Run 4 Cathedral
