School News:

In December the 8th grade will be heading up the sock project. We collect adult-sized tube socks and fill them with mini-candies, granola bars, and mini-toiletries. The school fills about 1000 socks and hands them out at Potluck in the Park on Christmas Eve. 5th grade families are asked to send in 18-20 travel size soaps, and if you'd like to send in your leftover Halloween candy we will gladly use it for the sock project. Thank you for supporting our service efforts!
